

## Overview

Gourikwa is one of the most unique, private nature reserves along the South African coastline. Experience its untouched coastline stretching over 5km, a rich variety of rare fauna and flora and enjoy facilities ranging from premium, self-catering accommodation to a one-of-a-kind beachfront chapel and wedding venue. superb dining experience for each of our guests.

25 minutes drive from Mossel Bay and Still Bay.

Self Catering Sea Cottages, Fishermans Houses & Villa Suites.

Conferencing for up to 200 Delegates.

Stunning wedding venues and accommodation.

## Accommodation

We have the unique ability to cater for both isolated weekend escapes to hosting large groups for weddings, corporate conferencing and educational groups. All units are self-catering from full sized kitchen to kitchenettes and, yes, all units come with their own braai facilities.

## Activities

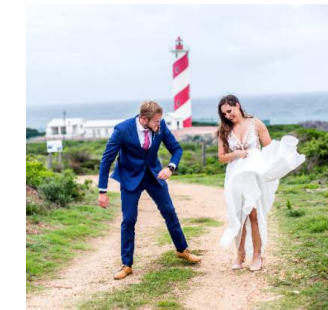

Gourikwa Reserve offers unmatched facilities to accommodate groups or individuals for an activity-filled stay. We have a variety of activities within the reserve, and what better place to be active or learn than from our greatest teacher: Mother Nature.

Some of our activities include:  
Hiking, Trail Running, Mountain Biking,  
Birdwatching, Fishing, Snorkeling, Outdoor Chess,  
Mini Golf and Lighthouse Tours

## Weddings

There can't be many wedding venues that compare to Gourikwa's offering. With your choice of our Banqueting venue, spacious, modern and flexible, Monica's Chapel with sea views and bell tower or the Pool House and Bar and what's more, most of your guests can stay right here at Gourikwa. We supply all tables and chairs, additional decor and offer mouth-watering catering.

## Conferencing

Gourikwa's conferencing facilities are ideal for corporates, groups with a variety of conference venues and facilities available on the reserve and we can comfortably accommodate up to 200 delegates. Being an isolated reserve, our venues and activities are ideal for team-building or motivational talks.
